There is no consensus on what constitutes the core competencies for emergency medicine (EM) clerkship rotations in Canada. Existing EM curricula have been developed through informal consensus and often focus on EM content to be known at the end of training rather than what is an appropriate focus for a time-limited rotation in EM. We sought to define the core competencies for EM clerkship in Canada through consensus among an expert panel of Canadian EM educators.

Assessing Knowledge Base on Geriatric Competencies for

The field of emergency medicine (EM) is constantly generating new knowledge, and a rapidly shifting world presents ever additional demands on emergency care. This creates a drive to cram more breadth and depth of topics into a crowded residency conference schedule. The EM management of older adults is the perfect example of this pressure. Emergency older adult care is more time-consuming, difficult, and resource intensive than the care of younger adults.
