I bought this used for a social psychology class. It came in days ahead of schedule and in good condition. There are more marks from a previous student than I was expecting to find, but overall I'm pleased with this purchase. This text book is really interesting and I feel that its format is very beneficial for easily digesting the information.

### **Violent Relationships Can Result From Childhood Corporal**

This theory is defined by Exploring Social Psychology by David G. Myers as a theory that we learn social behavior by observing and imitating and by being rewarded and punished. By observing and experiencing corporal punishment at such a young age, a child will be more likely to imitate the act continuing into their adult life.
